

POLICY STATEMENT

POZZTECH ENGINEERING specializes in the fabrication and erection of steelwork items for industrial projects. We have achieved a prominent place in this industry through our long standing policy of providing goods and services which consistently meet our customer's needs and expectations.

POZZTECH ENGINEERING will follow documented processes that comply to AS/NZS ISO 9001:2015.

POZZTECH ENGINEERING believes that success is achieved by:

- Maintaining Suitable Premises and Equipment.
- Motivation and ongoing Training.
- Adherence to Documented Processes.
- Investigating all system and product deficiencies.
- Implementation and monitoring of effective corrective actions.
- Continuous improvement and Benchmarking.

Senior Management is fully committed to the successful maintenance and improvement of our service to clients and shall provide all the resources necessary to ensure the above objectives are achieved.

POZZTECH ENGINEERING encourages all its Employees to actively participate in all the related activities.

Tony Pozzato

A handwritten signature in blue ink, appearing to read 'Tony Pozzato', is positioned above the printed name.
